■ OTHERS									
Security, Others	Anti-theft system (immobiliser) [Ministry-approved]							*15	
	Cold-weather specifications (window shield de-icer + PTC heater, *29, etc.) *30		90,720yen (84,000yen before tax) *18	47,520yen (before tax)	90,720yen (84,000yen before tax) *18	69,120yen (64,000yen before tax) *18			24,000yen (before tax)
	Tools (jack + jack handle + hub nut wrench)								

*1 If spare tyre is selected, tyre puncture emergency repair kit will not be provided. Spare tyre (with cover) will be placed inside super luggage box.

*2 If cold weather specification is selected, water-repellent feature will be provided.

*3 Both edges of sliding door glass pane will be dotted (sunshield ceramic) to match the rear seat sunshade.

*4 If cold weather specification is selected, rain-clearing mirror (with heater) will be installed.

*5 Twin moon roof or SRS side airbag + SRS curtain shield airbag, if selected, will be provided with 1 x assist grip on driver seat

*6 If cold weather specification is selected, it will be only the front for ZS.

*7 Toyota Safety Sense C and leading vehicle acceleration notification come in 1 set as manufacturer option.

*8 If manufacturer option of Toyota Safety Sense C is selected, combination lamps will come with auto high beam.

*16 For those who are using an embedded heart pace-maker, etc., please consult your doctor before using the Place & Charge. Electromagnetic waves from charging may affect devices such as pace makers. Since these electromagnetic waves can also be stopped, please consult dealer.

*17 Manufacturer option of Place & Charge will be installed inside the front seat large open tray. For details, please read ACCESSORIES & CUSTOMIZE CATALOGUE.

*18 Cold weather specification & rear auto aircon comes together as manufacturer option.

*19 If manufacturer option of Place & Charge is selected, only wireless charging will be provided.

*20 For those who are using an embedded heart pace-maker, etc., please ensure that a distance of at least 22 cm is kept from the transceiver mounted in the car as electromagnetic waves may affect devices such as pace makers. Since these electromagnetic waves can also be stopped, please consult dealer.

*21 One-touch dual power sliding door and one-touch front seat power sliding door come with sliding door opener switch on smart key or wireless key.

*22 May not playback depending on discs. B-CAS card require a pre-installed receiver.

*23 SD card is required separately.

*9 VSC OFF switch is not installed. Only TRC OFF switch is.

*10 Installed only if cold weather specification is selected.

*11 Only general purpose ISOFIX child seat can be used (new safety requirement). All other child seats required seat belts. Please check with dealer for details.

*12 If manufacture option of T-Connect SD navigation system is selected, multi-information display is 4.2" colour TFT.

*13 Zones are displayed on the multi-information display.

*14 If manufacturer option of T-Connect SD navigation system is selected, voice recognition & hands-free conversation can be installed on the steering switch. If dealer's option of navigation audio is selected, only volume is adjustable.

*15 Smart entry system + Push-start system and anti-theft system come in 1 set as manufacturer option. In this case, illuminated entry system consists of engine switch and interior lamp.

*24 Separate setup charges apply. Please check with dealer. If ETC unit is installed, card holder will not be provided.

*25 Luminous number plate cannot be installed at the same time.

*26 Many types of navigation audios are available as dealer's options. Please refer to AUDIO VISUAL & NAVIGATION CATALOGUE or enquire with the dealer.

*27 Only X "C Package" does not come with illumination.

*28 Please use electrical products of 120W & below. However, there may be cases when electrical products of 120W & below may not operate normally. Please enquire with the dealer for details.

*29 PTC: Positive Temperature Coefficient

*30 Cold-weather specifications take into consideration usage in cold weather by improving the reliability and durability of wipers, heaters, etc. in particular. Note that all vehicles in Hokkaido region come with cold-weather specifications.

■ "Manufacturer option" available upon order. Please understand that we will not entertain post-ordering requests as these are installed at the manufacturer's plant.

■ Prices are manufacturer's recommended retail prices <(including 8% consumption tax) as of Jan 2016> for reference only. Please enquire with the respective dealers as prices are determined by the dealers themselves.
